LIGHTING CREATIONS

BY

Stiffel.

Lite Tops and Stiffel are industry leaders in manufacturing lighting fixtures, lampshades and portable lamps. Two of the finest American made lighting brands, all of our products are proudly made in the USA by our staff of talented craftspeople, using only the finest materials. We specialize in servicing the hospitality and commercial markets with both standard catalog items, as well as custom made products. This brochure is a small sampling of some of our dynamic manufacturing capabilities.

We welcome the opportunity to work with you on your next project!
